form must include the key number of each parcel subject to the conveyance, whether the entirety of each parcel is being conveyed, the address if the parcel is improved, a legal description for each parcel, and an estimate of the value of any personal property included in the transfer; (8) one party to a transaction may sign a sales disclosure form on behalf of multiple parties; (9) the county recorder may record a conveyance document only if a sales disclosure form approved by the county assessor has been filed; (10) the criminal penalty for knowingly and intentionally falsifying or omitting information on a sales disclosure form is increased; (11) the penalty for filing an incomplete or inaccurate sales disclosure form applies only if the filer fails to correct a deficiency within 30 days of notice; and (12) a paper or electronic sales disclosure form may be used with respect to a homestead assessed as real property to also apply for the homestead credit and certain property tax deductions. Allows for filing of statements to claim the homestead credit and property tax deductions any time during a calendar year with respect to real property, or any time during the designated 12 month filing period with respect to mobile homes and manufactured homes not assessed as real property. Provides that a taxpayer that files for the homestead credit or a property tax deduction must be the owner or contract buyer only on the filing date, and not on the assessment date to which the credit or deduction applies. Allows a county auditor to reduce the assessed value used to set tax rates to take into account deductions resulting from applications filed late in the year. Provides that changes in information reported by the county auditor to political subdivisions resulting from applications filed late in the year do not result in withholding of property tax replacement revenue by the state. Requires the department of local government finance to adopt rules to establish guidelines to enforce the application of the homestead credit only to an individual's principal place of residence. Provides that a municipality may adopt an ordinance establishing a property maintenance area (PMA) and provide grants to individuals that receive a certification from the municipality for property maintenance performed within the PMA. Allows certain taxpayers to claim interstate commerce exemptions for certain inventory for the 2004, 2005, and 2006 assessment dates by filing amended returns before March 1, 2008. Provides that the amended returns are considered to have been timely filed.

SECTION 9. IC 6-3.5-6-17, AS AMENDED BY P.L.224-2007, SECTION 78, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 17. (a) Revenue derived from the imposition of the county option income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount that is to be distributed to a county during an ensuing calendar year equals the amount of county option income tax revenue that the department, after reviewing the recommendation of the budget agency, determines has been:

- (1) received from that county for a taxable year ending in a calendar year preceding the calendar year in which the determination is made; and
- (2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted (as determined after review of the recommendation of the budget agency) for refunds of county option income tax made in the state fiscal year.

- (b) Before August 2 of each calendar year, the department, after reviewing the recommendation of the budget agency, shall certify to the county auditor of each adopting county the amount determined under subsection (a) plus the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year. The amount certified is the county's "certified distribution" for the immediately succeeding calendar year. The amount certified shall be adjusted, as necessary, under subsections (c), (d), (e), and (f), and (g). The department shall provide with the certification an informative summary of the calculations used to determine the certified distribution. The department shall also certify information concerning the part of the certified distribution that is attributable to a tax rate under section 30, 31, or 32 of this chapter. This information must be certified to the county auditor and to the department of local government finance not later than September 1 of each calendar year. The part of the certified distribution that is attributable to a tax rate under section 30, 31, or 32 of this chapter may be used only as specified in those provisions.
- (c) The department shall certify an amount less than the amount determined under subsection (b) if the department, after reviewing the recommendation of the budget agency, determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The department, after

reviewing the recommendation of the budget agency, may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

- (d) The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The department, after reviewing the recommendation of the budget agency, may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.
 - (e) This subsection applies to a county that:
 - (1) initially imposed the county option income tax; or
- (2) increases the county option income tax rate; under this chapter in the same calendar year in which the department makes a certification under this section. The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year and in each calendar year thereafter. The department shall provide for a full transition to certification of distributions as provided in subsection (a)(1) through (a)(2) in the manner provided in subsection (c).
- (f) This subsection applies in the year a county initially imposes a tax rate under section 30 of this chapter. Notwithstanding any other provision, the department shall adjust the part of the county's certified distribution that is attributable to the tax rate under section 30 of this chapter to provide for a distribution in the immediately following calendar year equal to the result of:
 - (1) the sum of the amounts determined under STEP ONE through STEP FOUR of IC 6-3.5-1.5-1(a) in the year in which the county initially imposes a tax rate under section 30 of this chapter; multiplied by
 - (2) the following:
 - (A) In a county containing a consolidated city, one and five-tenths (1.5).
 - (B) In a county other than a county containing a consolidated city, two (2).
- (g) If one (1) or more municipalities in a county have established a property maintenance area under IC 36-7-35, the department shall reduce the county's annual certified distribution by an amount equal to the total amount of credits awarded under

C

IC 6-3.1-32.5 with respect to qualified expenditures certified in a property maintenance area in the county in the preceding calendar year.

- (g) (h) One-twelfth (1/12) of each adopting county's certified distribution for a calendar year shall be distributed from its account established under section 16 of this chapter to the appropriate county treasurer on the first day of each month of that calendar year.
- (h) (i) Upon receipt, each monthly payment of a county's certified distribution shall be allocated among, distributed to, and used by the civil taxing units of the county as provided in sections 18 and 19 of this chapter.
- (i) (j) All distributions from an account established under section 16 of this chapter shall be made by warrants issued by the auditor of state to the treasurer of state ordering the appropriate payments.

SECTION 10. IC 6-3.5-6-18, AS AMENDED BY P.L.224-2007, SECTION 79, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 18. (a) The revenue a county auditor receives under this chapter shall be used to:

- (1) replace the amount, if any, of property tax revenue lost due to the allowance of an increased homestead credit within the county;
- (2) fund the operation of a public communications system and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b);
- (3) fund the operation of a public transportation corporation as provided in an election, if any, made by the county fiscal body under IC 36-9-4-42;
- (4) make payments permitted under IC 36-7-15.1-17.5;
- (5) make payments permitted under subsection (i);
- (6) make distributions of distributive shares to the civil taxing units of a county; and
- (7) make the distributions permitted under sections 27, 28, 29, 30, 31, 32, and 33 of this chapter.
- (b) The county auditor shall retain from the payments of the county's certified distribution, an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. This money shall be distributed to the civil taxing units and school corporations of the county as though they were property tax collections and in such a manner that no civil taxing unit or school corporation shall suffer a net

revenue loss due to the allowance of an increased homestead credit.

- (c) The county auditor shall retain:
 - (1) the amount, if any, specified by the county fiscal body for a particular calendar year under subsection (i), IC 36-7-15.1-17.5,

- IC 36-8-15-19(b), and IC 36-9-4-42 from the county's certified distribution for that same calendar year; and
- (2) the amount of an additional tax rate imposed under section 27, 28, 29, 30, 31, 32, or 33 of this chapter.

The county auditor shall distribute amounts retained under this subsection to the county.

- (d) All certified distribution revenues that are not retained and distributed under subsections (b) and (c) shall be distributed to the civil taxing units of the county as distributive shares.
- (e) **Subject to subsection (j)**, the amount of distributive shares that each civil taxing unit in a county is entitled to receive during a month equals the product of the following:
 - (1) The amount of revenue that is to be distributed as distributive shares during that month; multiplied by
 - (2) A fraction. The numerator of the fraction equals the allocation amount for the civil taxing unit for the calendar year in which the month falls. The denominator of the fraction equals the sum of the allocation amounts of all the civil taxing units of the county for the calendar year in which the month falls.
- (f) The department of local government finance shall provide each county auditor with the fractional amount of distributive shares that each civil taxing unit in the auditor's county is entitled to receive monthly under this section.
- (g) Notwithstanding subsection (e) and subject to subsection (j), if a civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which distributive shares are being distributed under this section, that civil taxing unit is entitled to receive a part of the revenue to be distributed as distributive shares under this section within the county. The fractional amount such a civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:
 - (1) The amount to be distributed as distributive shares during that month; multiplied by
 - (2) A fraction. The numerator of the fraction equals the budget of that civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all civil taxing units of that county for that calendar year.
- (h) If for a calendar year a civil taxing unit is allocated a part of a county's distributive shares by subsection (g), then the formula used in subsection (e) to determine all other civil taxing units' distributive shares shall be changed each month for that same year by reducing the amount to be distributed as distributive shares under subsection (e) by

the amount of distributive shares allocated under subsection (g) for that same month. The department of local government finance shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

- (i) Notwithstanding any other law, a county fiscal body may pledge revenues received under this chapter (other than revenues attributable to a tax rate imposed under section 30, 31, or 32 of this chapter) to the payment of bonds or lease rentals to finance a qualified economic development tax project under IC 36-7-27 in that county or in any other county if the county fiscal body determines that the project will promote significant opportunities for the gainful employment or retention of employment of the county's residents.
- (j) If a municipality in a county has established a property maintenance area under IC 36-7-35, the county auditor shall reduce the municipality's monthly allocation determined under subsection (e) or (g) by an amount equal to the total amount of credits awarded under IC 6-3.1-32.5 with respect to qualified expenditures certified in a property maintenance area in the municipality in the preceding calendar year divided by twelve (12).

This amount is the sum of the amounts determined under the following STEPS for all taxing districts in the county that contain all or part of an economic development district:

STEP ONE: Determine that part of the sum of the amounts under section 2(g)(1)(A) and 2(g)(2) of this chapter that is attributable to the taxing district.
